

Clinutren Diabetes

is a good tasting, ready to use, nutritionally complete, sugar free milk style drink, specifically designed for people with diabetes.

Nutritional profile

200kcal (840kJ) per 200ml cup
100kcal (420kJ) per 100ml

- Protein: 15% TEI
- Fat: 40% TEI
- Carbohydrate: 45% TEI
- 3.8g protein per 100ml
- Clinically lactose free & gluten free
- Sucrose & fructose free
- 1.5 g fibre per 100ml (67% soluble and 33% insoluble)

Clinutren Diabetes is rich in monounsaturated fatty acids, complex carbohydrates and has a unique fibre blend, all designed to assist in management of blood glucose and lipid levels.

Ingredients

The following is a general ingredient list covering all varieties. For an exact list by variety, refer to the product packaging.

Water, starches: modified tapioca, corn; vegetable oils: sunflower, rapeseed, olive; soya proteins, milk proteins, fibre: inulin, pea, pectin; potassium chloride, emulsifier: mono- and diglycerides of fatty acids; flavouring, magnesium citrate, stabiliser: disodium phosphate; calcium citrate, thickeners: sodium alginate, guar gum; sodium

hydroxide, sweetener: acesulfame K; antioxidant: sodium ascorbate; choline chloride, sodium citrate, vitamins: C, E, niacin, pantothenic acid, B6, B1 (riboflavin), B2 (riboflavin), A, folic acid, K, biotin, D, B12; ferrous sulphate, zinc sulphate, manganese sulphate, copper sulphate, sodium fluoride, sodium molybdate, potassium iodide, chromium chloride, sodium selenite, acidity regulator: potassium hydroxide.

Presentation

- Individual 200ml portions, packaged in a plastic cup and sold in a multipack of 4 cups.
- Ready to use.
- Packaged in a protective atmosphere. UHT processed.
- 24 cups of the same flavour (6 multipacks) per carton.

Product range

Vanilla.

Uses

Suitable for diabetic patients, with decreased appetite, malnutrition, or at risk of malnutrition. Besides helping to manage blood glucose, the fiber blend has benefits on stool bulk and intestinal motility, plus a bifidogenic effect to enhance healthy gut microbiota.

Directions for use of product

- Use under medical supervision.
- Suitable as a supplement for patients over 3 years: 1 to 3 units per day.
- Suitable as sole source of nutrition for patients over 6 years: follow medical recommendations.
- Shake before use. Best served chilled.
- Once opened, cover, refrigerate and use within 24 hours.
